

# Jeremy's Wish 2018

SEHS Band Service Project

Jeremy Robert Hammond was a trumpet player in the SEHS Band. He had Muscular Dystrophy and was in a motorized wheelchair. He did not let that stop him from participating in the band's field show and Goldust. He resided at the Wichita Children's Home. Jeremy was just 16 years old and a Junior at Southeast when he passed away on November 22, 2012.

## Thoughts From Jeremy.....

*"change, it's hard but it makes us better and helps us think in a way that is truly amazing and it can only person to change but it can take a lifetime to succeed but it's worth it" – Jeremy Hammond*

*"its the new year all the decades disasters, troubles, and worries will be over soon, this is the year we change, problem solve, and grow, this is the year we start thinking about our problem not just as independent people but as one race and i hope what i say will come true. see you 2009-2010 Happy new year" - Jeremy Hammond*

*"Death happens for a reason i wish i knew why it happens. I though I'm just talking about a cat but he was a sweet cat. He scratched and bit u but he was a sweet loving cat. It was not my moms fault she ran him over and whats ironic about his death is i have ran him over with my wheel chair 30,000 times..well just his tail." – Jeremy Hammond*

**To celebrate and honor Jeremy's life, we are collecting donations for the Wichita Children's Home.**

Donations will be collected in C110 from **November 13<sup>th</sup>** until **November 30<sup>th</sup>**. All donations will be taken to the Children's Home in December. The Children's Home Wish List can be found on the back of this flyer. Donations should be new and unwrapped.

## **About The Wichita Children's Home:**

The Wichita Children's Home offers the only emergency, temporary residential shelter for children in our community. To keep our doors open 24/7 for children ranging in age from birth to 22 years of age, WCH depends on donations from individuals like you.

Last year alone, more than 1,600 children came through our front doors, many with only the clothes they were wearing. With the support we receive each year, we are able to meet the needs of each child to ensure their safety and well being. To continue caring for the children at WCH we need immediate basic need items.

## a home with a heart

The Wichita Children's Home offers the only emergency, temporary residential shelter for children in our community. WCH also provides food, clothing, comfort, therapeutic services, transitional housing, educational support, life-skills development, and more.

To keep our doors open 24/7 for children affected by physical and emotional abuse, neglect, homelessness and exploitation, WCH relies on donations from caring people like you.

Every year, about 2,000 children come through our doors, often with only the clothes on their backs. We help hundreds more through outreach programs.

When you include us in your giving, you are helping meet the needs of each child to ensure their safety and well-being. You are helping the Wichita Children's Home change lives. Learn more at [wch.org](http://wch.org)
